

Equality Policy

Last updated: February 2025

STATEMENT OF INTENT

The aim of this policy is to ensure that everyone is treated fairly and with respect and that our club is equally accessible to all. Tonbridge Juniors Football Club (TJFC) is responsible for setting standards and values to apply throughout the club at every level. Football belongs to and should be enjoyed by anyone who wants to participate in it.

TJFC's intention is to confront and eliminate discrimination whether by reason of age, gender, gender reassignment, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability, and to encourage equal opportunities.

POLICIES

The Club will ensure it treats people fairly and with respect and that it will provide access and opportunities for all members of the community to take part in and enjoy its activities.

As a club we are committed to taking positive action where inequalities exist and to the development of a programme of ongoing training and awareness in order to promote the eradication of discrimination and promote equality in football.

We will not tolerate harassment, bullying, abuse or victimisation of an individual, which for the purposes of this policy and the actions and sanction applicable is regarded as discrimination. This includes sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal. The club will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

TJFC is committed to taking positive action where inequalities exist and to the development of a programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination and promote equality in football.

TJFC is committed to a policy of equal treatment of all members and requires all members to abide and adhere to these policies and the requirements of the Equality Act 2010.

TJFC commits itself to the immediate investigation of any claims when brought to its attention, of discrimination on the above grounds and where such is found to be the case, a requirement that the practice stop and sanctions are imposed as appropriate.

This policy is fully supported by the Club Officers who are responsible for the implementation of this policy.
